

EVENT NAME: ENIGMA

The general quizzing event of PRAGATI.

RULES:

- Each team can have a maximum of **3 members**.
- **Every participant must carry his/her valid college ID card.**
- The team can consist of members from the same college or different colleges.
- Use of unfair means during the event will lead to **disqualification**.
- The quiz master's decision is final

Round Details

-----Round 1 – THE PRELIMS -----

- It is a paper pen round with **26 general questions**, ranging from non-technical questions to a few technical questions each carrying 1 point.

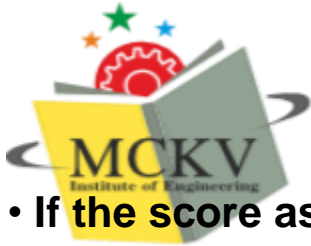

- The **answer for the 1st question will start with A**, the answer to the **2nd question will start with B** and so on. The answer for the **26th question will start with Z**.

(Examples: Question 1: What is the Capital of Tripura? Agartala

Question 26: The most voted app in 2017 was? Zomato)

- **The questions with answers starting with A, E, I, O and U will be '★' questions and will be used as tie breakers.**

(Example: **If 2 or more teams have the same score, the team which has got the greatest number of '★' questions correct will be selected for further rounds**).

- If the score as well as the number of correctly answered '★' questions are same for 2 or more teams, then the teams who first got their answer wrong will be eliminated.
- 10 teams will proceed to the next round.

-----Round 2 – Bounce and Pounce-----

• **DIRECT QUESTION:** Correct answer gains +10 with no negative markings for wrong answers.

• **POUNCE:** Once a direct question is thrown out to a team, the other teams get 10 seconds to pounce on it and lock their chance to answer it. For the teams who pounce, correct answers win them +10 whereas wrong answers come at a cost of -10 points.

• **BOUNCE:** Once the team with the direct question fails to answer correctly, the opportunity bounces on to the teams who have not pounced. Correct answers gain +5 with no -ve marking for wrong answers.

• This round will be conducted in 2 phases. Two teams with the lowest score get eliminated after each phase.

• 6 teams qualify to the final round.

----- Round 3 – The MIXED BAG -----

- **6 teams** compete for the **top 3 positions**.
- Teams **will have to randomly choose a number** and the question corresponding to it will be asked.
- Each team gets to **answer a total of 2 questions**.
- **Correct answers win you +10 with no negative marking.**
- **Teams are eligible for bonus points on answering passed questions. No negative marking.**
- **Be prepared for surprise BUMPER QUESTIONS** to jump ahead of the other teams.
 - The other details of the bumper questions will be revealed on spot.
 - **The Quiz master's decision is final!**

- Highest scoring team will be announced as the 'Winner' and the 1st and 2nd runner up will be decided based on their points.
- In case of ties for the 1st, 2nd or 3rd position, there will be a tie-breaker question instantly.
- Any changes in the rounds will be notified to the higher authority immediately.
