

## **EVENT NAME: DOTA 2**

### **RULES:**

- 1) The Game Mode used is Captains Mode (CM)
- 2) The team playing as the Radiant or Dire side will be announced before the match by a toss.
- 3) Each team consists of 5 members.
- 4) Game will end after destroying the ancient.
- 5) Every participant acknowledges the right for the administration to modify the rules and regulations for adjustments at any time without notice.
- 6) All teams must have to provide the administration the following information:
  - Full names of all members
  - Stream accounts of all members
  - Primary nicknames of all members
  - Id proof of all members
  - Identity of the captain
- 7) If a team is not ready to start a game in time, the following punishments will be applied by the referee:
  - 5 minutes late => Level 1 Draft Penalty
  - 10 minutes late => Level 2 Draft Penalty
  - 15 minutes late => Level 3 Draft Penalty
  - 20 minutes late => Forfeit of the game (not the whole match)
  - X minutes of late means that the team is not ready to start until X minutes after the official start time of the game.
- 8) If a team is partly present, but decided to run the draft without full lineup (followed by an AP remake), the following is done:
- 9) Short version: The time late of the team is set to the delay of draft start plus 5 minutes (the estimated cost of the remake), and the draft penalty is set accordingly. If the remake turns out to cost more than 5 minutes, the draft penalty might afterwards be raised to a forfeit loss, or a draft penalty for the next game might be added (depending on the overall delay).
- 10) In case of extraordinary circumstances, the referee may decide to abstain from the punishment.
- 11) Breaking of the rules or ignoring the order of an admin may result in a punishment for a whole team or a specific player. Type and amount is chosen by a referee.
- 12) Administrator's decision is the final decision.
- 13) Everyone is to obey Teacher-in-charge's direction.
- 14) Each must maintain proper decorum and etiquette.
